WHEREAS, the Historic Preservation Commission of the City of La Mesa did hold a duly noticed public meeting on October 4, 2022, and accepted public testimony in considering Project 2022-1417, a request by the owners to enter into a Historic Landmark Property Preservation Agreement with the City as authorized under the Mills Act.

THE HISTORIC PRESERVATION COMMISSION FINDS AND DETERMINES AS FOLLOWS:

1. That the project is exempt from environmental review under California Environmental Quality Act Guidelines Sections 15301 and 15331. Section 15301 exempts activities involving negligible or no expansion of use of an existing facility. Section 15331 exempts the preservation and conservation of historical resources when carried out in a manner consistent with the Secretary of the Interior's Standards for the Treatment of Historic Properties. The project serves to protect the resource by ensuring that future alterations are subject to the standards described in Section 15331. The project meets the criteria for the exemptions and none of the exceptions listed in Section 15300.2 apply.
2. That the project complies with California Government Code Sections 50280 et seq. as set forth in the Historic Landmark Property Preservation Agreement.

NOW, THEREFORE, BE IT FURTHER RESOLVED by the Historic Preservation Commission of the City of La Mesa as follows:

1. The foregoing findings of fact and determinations are true and hereby made a part hereof.
